

Competitive Research Awards 2024

Call for Expression of Interest from Research Grant Reviewers

The Gamani Corea Foundation (GCF), which is an autonomous, non-profit, charitable research institute that aims to promote policy-oriented research mainly in the fields of economics and multidisciplinary research in allied social sciences, has launched the scheme of Competitive Research Grants 2024. The GCF invites eminent academics and practitioners residing in Sri Lanka and abroad to join the panel of reviewers. The main functions and responsibilities of the reviewers are as follows:

- Evaluating the research proposals based on the evaluation criteria, and
- Submitting comments and scores for research projects in the evaluation forms.

The reviewers will be paid an honorarium for the services provided. Interested resource persons are requested to send a brief CV indicating the area of expertise on or before **31th of March 2024** by email (gcf.researchgrants@gmail.com). Please mention “RESEARCH GRANT REVIEWERS” on the subject of the email.
